

We are currently recruiting for a full time Manager for our Devizes Nursery.

Our nursery at Nursteed House, Devizes is registered for 33 children 0 – 5 years (up to 8 years for holiday clubs). We have recently been granted full planning permission to build a new purpose built 4,500 sq ft nursery on the edge of a farm off the Hopton Industrial Park. Building works are due to commence beginning of August and are due for completion 23rd December 2011.

The Manager at Devizes will be responsible for co-ordinating the transition process from the old to the new building. They will need to ensure the children are familiar with the new nursery and are part of the process in developing their class rooms and planning for their new nursery. Good communication and team working skills will be essential.

The new nursery will be double the size of our existing nursery therefore good sales skills will be essential to ensure good quality show rounds are conducted and that every enquiry is followed up.

Forest Schooling will play an important part, along with enjoying the rural surroundings of the new nursery. Next to the nursery will be a yoga studio and it is envisaged that the children can take part in yoga sessions so the promotion of a healthy outdoor lifestyle will be essential.

Applications are being taken	July – August 2011
Appointment to commence approx:	1 st September 2011
Salary Range	£20,000 - £22,000
