We will be conducting show rounds for existing parents on Saturday 17th from 9am – 11am. The purpose of these show rounds is for you to familiarise yourselves with the layout of the building and for you to see your child's new classrooms. The rooms will be empty of furniture and toys as, for obvious reasons; we cannot remove them from Nursteed yet.

In order to ensure we can speak to as many of our parents as possible and answer any questions as effectively as we can, we are asking parent to book into one of the four time slots. These are **9am, 9.30am, 10.00am and 10.30am.**

All showrounds will need to be finished by 11am to allow our contractors to continue their work.

The staff at Nursteed have a booking sheet for you to select your preferred time.
Please Note: The build process has been extremely tight but our builders are continuing to work extremely hard to ensure handover on Friday 23rd December. As a result there is likely to be contractors still working on the site on our open morning. If you are bringing small children they must remain in your care at all times. There may also be wet paint so please be careful. A member of staff will advise on the morning.

Don't forget to book your show round at one of the four time slots.

Car Parking

Parents and visitors must use the nursery car park located at the front of the nursery. Please do not park anywhere else on the business park as these facilities are reserved for other business park users. Turn left at the entrance to the business park. Continue to the end of the road passing the nursery on your right. Park in the gravel car park; the entrance to the nursery is along the path which runs parallel to the garden. A staff member will be there to welcome you and direct you to the main entrance.
